Код нас је, наравно, све другачије. Варују са онима који више преура, а друштвено-политички револуционари. Шта је томе узрок, ниједна је да због тога највише тешкоћа је безбедност бави стварима које нису у њеном јурисдикцијом. Тако се дешавају случајеви да гледају на праву промичу испред носа крупне звери док долијају називамо највећим
